As a highly motivated and detail-oriented student pursuing a Bachelor's degree in Computer Science, I have developed strong communication, organizational, & problem-solving skills through my coursework and extracurricular activities. I am excited to apply these skills in a professional setting and gain hands-on experience in the Tech. With a passion for creativity and a strong work ethic, I am committed to making a positive impact on the organization I work for.

Skills

- Programming Language (Proficient in JAVA, known C/C++, JavaScript).
- Data Structure & Algorithm (Java, Coding Ninjas)
- Flutter Development (Front-End)
